Donate to Offset Cost to Clean Church Carpets!

You may or may not have realized that we recently had the carpet in the Fellowship Hall cleaned, it looks great! We are so excited by this that we got quotes to clean ALL THE CARPETS at WLLC! In addition to asking our building partners for donations, we want to ask if YOU want to donate towards cleaning a space or to make a general donation. You can find what it cost to clean each space [HERE](#). We will put small signs in each space with people's names who donated for 3 months to say thanks! You can opt out having your name listed if you like. We are hoping to have all the carpets cleaned on the same day as having multiple trips incurs additional cost. So if you can review the costs and contact the church office with your donation by April 15th, that would be great! Thanks for your consideration of this much needed service.
